

# WCTI BUYERS' GUIDE

## Product Categories and Update Form

The next edition of the Wire & Cable Technology International Buyers' Guide will be published November 2023.

NOTE: The product/contact update form on the last page should be updated and returned as soon as possible. If you would like to see a new product category in our next issue that is not listed, please write the category name on the form and send to mcnutly@wiretech.com. A • precedes any new category.

If you are a new listing for this edition, review the product codes provided. Complete the last page, filling in the product codes in the boxes, along with your company information. Please note that up to 10 product codes will be provided free of charge. Advertisers (one-fourth page or greater) in the directory issue will receive unlimited product codes. Their listings will also appear in boldface type. Those not advertising will be charged \$10 for each product code over 10. A check or credit card information must be included with this form if more than 10 listings are included.

Publisher reserves the right to edit, modify or exclude any listing and is not responsible for the accuracy or completeness of directory listings beyond exercising reasonable care in preparation.

### Advertisers receive unlimited listings free.
